Honoring
Reverend Michael A. Farano

The 30th Anniversary
of the
Farano Center for Children

Reverend Michael A. Farano

This year Community Maternity Services is pleased to honor Father Michael A. Farano as we celebrate the 30th Anniversary of the Farano Center for Children and Father Farano's Golden Jubilee.

Father Farano was instrumental in opening the Farano Center, the first licensed group home in NYS providing care for young children afflicted with HIV/AIDS. Over the past three decades the Farano Center has undergone numerous transformations and today it serves children with mental health, behavioral or emotional needs who have been removed from their homes due to abuse or neglect.

The one thing that has not changed is Father Farano's commitment to the children who call the Farano Center "home". His generosity and ongoing friendship have helped improve the quality of life for those in our care. Fr. Farano's long career of giving and life of service to others has made this world a better place. Our Board, our staff and our children and families thank him for his many kindnesses. CMS is very grateful to have such a special friend.
